

Lavenham's Neighbourhood Plan

**Have your say by completing this
questionnaire**

Introduction and Guide to the Questionnaire

A fortnight ago we wrote to you to say that following a new Government initiative to encourage more local people to have a say about what goes on in their area, we want to put together a neighbourhood plan which will help us shape our housing, educational, commercial and leisure needs for the future.

Our **first** step in this process is to ask you a series of questions about how you live now and how you would like to see the future. The questionnaire is **anonymous** and the answers will be used to help us develop a neighbourhood plan based on the views of the entire community. Remember there are no right or wrong answers; we are simply interested in your opinion.

This is your opportunity to present your views; don't miss the chance to have your say. The questionnaire should take not take you too long to complete.

Please encourage all members of your family over the age of 11 to complete a **separate** questionnaire, **preferably online**, at www.lavenham-np.co.uk

You can complete the questionnaire in various ways:

1. If you have access to a computer, the questionnaire can be **most easily** completed online by going to www.lavenham-np.co.uk

If you do complete it online, you can return this blank copy to any of the drop off points listed in point 2) below for recycling.

2. You can also complete this paper copy of the questionnaire. You can leave your completed questionnaires at any of the following locations in the village: Lavenham Newsagents, Café Knit, the Village Hall, Sparling & Faiers and Heeks. *If you are unable to drop the completed questionnaire at any of these locations, please return it to us using the pre-paid envelope included in this pack.*

And finally

The purpose of this questionnaire, which you have taken the time to fill in, is to get your views so that we can draw up a plan for our future. You will probably have found some questions are not particularly relevant and some badly put. No questionnaire, no matter how professional the team that composes it, is perfect. Indeed, a good questionnaire should raise further questions and requires the input of those who have gone to the trouble of answering the questions.

We are sure this is the case with our questionnaire despite having had input from the October 2012 village meeting, census data and additional research. This was then put into the format of a questionnaire by about forty people.

We possibly have missed some things out. If something is wrong, not clear or beside the point please let us know. If you need any help in filling in the questionnaire please contact one of the people listed in the introduction.

Thank you

Lavenham Parish Council, Autumn 2013
